GLENGARRY PIONEER MUSEUM

Facility Information & Rental Agreement

The Glengarry Pioneer Museum was established to tell the story of the people who lived in the Glengarry County area from earliest settlement until 1915. The Museum's purpose is to research, collect, preserve, exhibit, and interpret a collection of historical artifacts, in order to create a tangible link with the past. Although this is the Museum's first priority, the museum grounds can also serve as an ideal location for family gatherings, anniversaries, weddings and other functions within the community.

On about 5 acres in rural North Glengarry, just a short 10-minute drive from Hwy. 417, the Museum consists of 11 log and timber framed historic buildings that were original to Dunvegan or were relocated from within the local area. The Williams Pavilion offers a rustic open-air shelter that is perfect for community gatherings.

1. DESCRIPTION OF THE FACILITY

1.1 Spaces Available

Williams Pavilion

The **Williams Pavilion** (the Pavilion) measures 44' x 55' and is constructed from the post and beams of a historic barn. It is open-air with a large roof, but no walls. There are however, optional vinyl curtains that can enclose or partly-enclose the structure in case of inclement weather. The center of the pavilion has a wood floor (35' x 25'), surrounded by crushed stone closer to the outside perimeter. There are electrical outlets throughout and a movable stage. Lighting includes modern soft white string lights and adjustable spot lights. The Pavilion can fit thirteen 8' round tables, seating approximately 104 people. With rectangular tables, the Pavilion can seat up to 130 people. When set up with theatre style seating, the Pavilion can seat up to 150 people.

The Grounds

Set on close to 5 acres, the Museum is a grassed and partially tree covered site with some gravel pathways between its buildings. There is ample space to set up rented tents of various sizes; however, their location must be discussed with the Curator / Administrator in order to avoid drainage tiles and buried electrical cables. Any required temporary building permits and inspections will be the responsibility of the Renter. The grounds are ideal for photography or outdoor ceremonies of any kind.

Museum Buildings

Access to museum buildings during regular open hours is permitted to rental guests; however, **food and drinks must be kept to the area in and around the Pavilion**. If you would like to have a guided tour (or two, depending on the number in the group), an extra \$5.00 per person will be added to the rental fee. Guests are not permitted to touch or climb on any artifacts, including machinery in the drive shed. Photography is allowed in the buildings.

School House *

The one room schoolhouse can be available for small concerts or lectures. It can seat approximately 40 people in a mixture of benches and old school desks. It has excellent acoustics and access to electricity. The museum has a white screen if PowerPoint or similar presentations are required in the schoolhouse. The use of just **one chalkboard** is permitted but **other artifacts must be left untouched**.

Star Inn *

This 1860s inn is the heart of the Museum and **artifacts must not be touched by guests**. The building houses an old tavern that was used up until the 1890s. With permission from the Curator / Administrator, the bar can be licensed and used in a limited capacity for short periods of time. For example, it could be used for a "cocktail hour" while a wedding party is having photos taken.

Alcohol is prohibited on museum property except when special arrangements have been

made with the Curator / Administrator. The Renter is responsible for completing all necessary applications, acquiring required permits, and paying all applicable fees.

Keep in mind that the Museum remains open to the public during its regular operating hours (10:00am-4:00pm) and **Renters cannot prevent its use by other visitors or Members of the Museum.**

* Special rates for use of these buildings alone may be negotiated, otherwise, rates below include access to the whole site.

1.2 Furniture & Equipment

All furniture and equipment must be returned in the same condition it was found. Unless otherwise stated by the Curator / Administrator, the following furniture items are included with the rental at no additional cost:

- 15 rough wood folding rectangular tables (2' x 6')
- 12 wood picnic tables
- 100 folding chairs (black, plastic style)
- 1 stage (in three sections)
- 2 full-service indoor bathrooms
- 6 garbage bins
- 4 recycling bins
- Parking / Signage
- 2 discrete fridges (note: there is no kitchen on site).
- Sound system (2x 1000-watt speakers with stands, one mic with stand)
- Projector and screen
- Tents (3 10x20 and 4 10x10); white
- Pavilion curtain walls (half with windows, half solid grey)
- Assorted benches
- Costumes / Props

1.3 Access & Parking

There is one small gravel parking lot close to the entrance of the Museum and Pavilion. It can accommodate approximately 10 cars. There are two accessible parking spaces with visible signage in this area. This area can also be used as a drop off zone. Arrangements for a larger number of vehicles must be made well in advance of an event for parking in the grassed field south of the Museum grounds. In addition, there is limited on-street parking around the Museum, if necessary.

The grounds of the Museum are a semi-natural landscape with grass and some compacted gravel pathways between buildings. Some areas must be reached by travelling over grass.

1.4 Washrooms

Two public washrooms are available at the Orange Hall entrance building, one of which is

wheelchair accessible. Any Renter expecting more than 40 people may be required to arrange for the **rental of sufficient portable washrooms**. The Renter must pay for any repairs of plumbing blockages caused by negligence or misuse by the Renter, their agents, or their guests. If the cost of repair is more than the Damage Deposit, the Renter must pay any extra expense within 10 days of the repair.

1.5 Garbage

The Museum has several garbage and recycling bins, but the Renter must bring their own bags and **take all garbage with them before they leave (including from the bathroom)**.

The Museum does not have adequate facilities to store garbage from events, and, garbage cannot be left overnight anywhere on site, due to the risk of animals.
